REQUEST FOR CUSTOM MAPPING PRODUCTS

This application must be completed in full for all custom .pdf maps or series of .pdf map requests. Incomplete applications will be returned to the applicant and may result in significant delays to processing your request.

A typical mapping request will take approximately 5 to 10 business days to process from the time it is received by Conservation Halton. There may be a fee based on staff time required to produce the mapping, typically \$125 + HST.

Requests are processed in the order that they are received. Enquires regarding the status of any custom mapping request should be directed to gis@hrca.on.ca
