REPORT TO: Finance & Audit Committee

REPORT NO: # FA 01 23 01

FROM: Marnie Piggot, Director, Finance

DATE: April 4, 2023

SUBJECT: 2022 Audited Financial Statements

Recommendation

THAT the Finance & Audit Committee **recommends to the Conservation Halton Board that the audited financial statements for the year ended December 31, 2022, be approved as presented.**

Executive Summary

The annual audit of Conservation Halton's (CH) financial transactions for the year ended December 31, 2022, has been completed by KPMG LLP. The financial statements were prepared by CH staff and the draft audited statements are attached (Appendix A).

The KPMG Auditors' Report which is included in the financial statements is a standard audit report without qualifications and it is their opinion that the statements are presented fairly and in accordance with public sector accounting standards. KPMG has also provided the attached 2022 Audit Findings Report (Appendix B).

Report

The Statement of Financial Position for CH reports Accumulated Surplus at December 31, 2022 of \$84.0 million. This is an overall increase of 7.3% over the 2021 Accumulated Surplus of \$78.2 million.

Statement of Financial Position Summary	2022 Actual	2021 Actual
Financial assets	\$ 41,344,737	\$ 42,641,661
Non-financial assets	74,660,090	72,732,222
Total Assets	116,004,827	115,373,883
Less: Financial liabilities	(32,047,860)	(37,153,070)
Accumulated surplus	\$ 83,956,967	\$ 78,220,813

The increase in the Accumulated Surplus is derived from the 2022 Annual Surplus of \$5,736,154 reported on the Statement of Operations.

A summary of the Statement of Operations is as follows:

Statement of Operations Summary	2022 Budget	2022 Actual	2021 Actual
Total Revenue	\$ 35,812,833	39,866,284	\$ 31,234,065
Total Expenses	(33,270,584)	(34,130,130)	30,192,600
Annual Surplus	\$ 2,542,249	\$ 5,736,154	\$ 1,041,464

The audited financial statements were prepared using the amounts in the 2022 Year-end Budget Variance Report financial appendix presented at the March 23, 2023, Board meeting with a reported operating surplus of \$3,643,396.

The CH annual budget is prepared on a modified accrual basis to ensure there is adequate cash flow funding available for the planned outlay of expenditures. This budget preparation method is consistent with local government public sector budgeting practices.

Adjustments to the audited financial Statement of Operations amounts include the:

- Addition of amortization of tangible capital assets and
- Elimination of tangible capital asset acquisitions, reserve transfers, municipal debt financing and the principal portion of debt financing charges.

These items are not considered revenue and expenses according to Public Sector Accounting Board (PSAB) standards though they are reported as funding sources and expenditure items that Conservation Halton must budget for.

The PSAB adjustments to the Budget Variance Report financial amounts to arrive at the audited financial statement Annual Surplus are as follows:

	2022 Actual	2021 Actual
Total Operating Surplus - Budget Variance Report	\$ 3,643,396	\$ 591,026
Public Sector Accounting Board (PSAB) Adjustments:		
Addition of:		
Amortization of tangible capital assets expense	(1,918,384)	(2,010,853)
Elimination of:		
Acquisition of tangible capital assets	3,914,800	2,232,482
Proceeds on disposal of tangible capital assets	(19,786)	(84,011)
Loss on disposal of tangible capital assets	(34,647)	(74,527)
Transfers to and (from) reserves	(164,483)	184,369
Municipal Debt Financing	(95,826)	(203,437)
Debt financing charges - Principal portion	411,083	406,416
Total PSAB adjustments	2,092,759	450,439
Annual surplus per audited financial statements	\$ 5,736,154	\$ 1,041,465

The 2022 budget amounts shown on the Statement of Operations have also been modified to be consistent with PSAB standards. The adjustments to the 2022 budget are outlined in note 11 of the audited financial statements.

The Accumulated Surplus of \$83,956,967 is made up largely by Tangible Capital Assets and is detailed in note 9 of the audited financial statements as follows:

Surplus - Tangible Capital Assets	\$ 74,117,179
Deficit - Current Funds	(4,887,985)
Reserves	14,727,773
Total Accumulated Surplus at December 31, 2022	\$ 83,956,967

The reserve transfers approved in the 2022 Year-end Budget Variance Report have been reflected in the reserves reported on the audited financial statements.

The Deficit – Current Funds is attributed to long-term debt financing of \$4,792,167 at December 31, 2022 and \$95,826 in Halton Region municipal debt financing invoiced in 2023 for debt financed capital project costs incurred in 2022.

Details of significant budget variances reported on the Statement of Operations were provided in the 2022 Budget Variance Report financial appendix included in the March 23, 2023, agenda.

Impact on Strategic Goals

INDEPENDENT AUDITOR'S REPORT

To the Directors of Conservation Halton

Opinion

We have audited the financial statements of Conservation Halton (the "Entity"), which comprise:

- the statement of financial position as at December 31, 2022
- the statement of operations and changes in accumulated surplus for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2022, and its results of operations, its changes in accumulated surplus, its changes in net financial assets and its cash flows year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditor's Responsibilities for the Audit of the Financial Statements**" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged With Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

CONSERVATION HALTON

Notes to Financial Statements, continued

Year ended December 31, 2022

Purpose of Organization:

Conservation Halton is established under the Conservation Authorities Act of Ontario to further the conservation, restoration, development and management of natural resources, exclusive of gas, oil, coal and minerals for the watersheds within its area of jurisdiction. The watersheds include areas in the Regions of Halton and Peel, the Township of Puslinch and the City of Hamilton.

Conservations Halton's purpose is to protect people from natural hazards, conserve nature and provide opportunities for outdoor recreation and education across the watershed.

1. Significant accounting policies:

The financial statements of Conservation Halton are prepared by management in accordance with the Chartered Professional Accountants of Canada Public Sector Accounting Handbook for local government. The significant accounting policies are as follows:

(a) Basis of accounting:

Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

These financial statements do not include the activities of the Conservation Halton Foundation, a related incorporated registered charity with a mission to raise funds and profile for Conservation Halton projects and programs.

(b) Investments:

Investments are recorded at the lower of cost and market value based on quoted market prices. Losses are recorded when the decline in market value is other than temporary.

(c) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Inventory:

Inventory is valued at the lower of cost and net realizable value. Cost is determined using specific identification of the cost of the individual items.

CONSERVATION HALTON

Notes to Financial Statements, continued

Year ended December 31, 2022

1. Significant accounting policies (continued):

(c) Non-financial assets (continued):

(ii) Tangible capital assets:

Tangible capital assets are recorded at cost less accumulated amortization. Costs include all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue on the same basis as the amortization expense related to the acquired tangible capital asset. Assets under construction are not amortized and are transferred into their relative asset category when available for productive use. Amortization is recorded on either a straight-line basis over the estimated life of the assets or by using the declining balance method.

The following rates are used:

Asset	Basis	Useful Life - Years
Land improvements	Straight-line	30 to 50 years
Buildings and building improvements	Straight-line	25 to 50 years
Machinery and equipment	Straight-line	5 to 40 years
Furniture and fixtures	Straight-line	5 to 20 years
Infrastructure	Straight-line	20 to 75 years
Vehicles	Declining balance	30%
Computer hardware and software	Straight-line	5 to 10 years

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(d) Deferred revenue - Capital and Major Projects:

Conservation Halton received certain amounts for which the related services have yet to be performed. These amounts are recognized as revenue in the fiscal year the related expenses are incurred or services performed. Funds received for the purchase of tangible capital assets are recognized when the related asset is purchased.

(e) Deferred revenue - Water Management System:

Conservation Halton has received funds for expenses to be incurred for the future operation of a water management system and management of certain lands. These funds are externally restricted and cannot be drawn until Conservation Halton commences management of the lands. These amounts will be recognized as revenues when the relating expenses are incurred or management services performed.

CONSERVATION HALTON

Notes to Financial Statements, continued

Year ended December 31, 2022

1. Significant accounting policies (continued):

(f) Investment income:

Investment income is reported as revenue in the period earned. When required by the funding government or related Act, investment income earned on deferred revenue is added to the investment and forms part of the deferred revenue balance.

(g) Revenue recognition:

Municipal levies, government transfers and funding for projects are recognized as revenue when the transfer is authorized, any eligible criteria has been met, and the amount can be reasonably estimated.

User charges and fees are recognized as revenue in the period in which the related services are performed.

(h) Employee future benefits:

The costs of multi-employer defined contribution pension plan benefits, such as the Ontario Municipal Employees Retirement System ("OMERS") pensions, are the employer's contributions due to the plan in the period.

(i) Use of estimates:

The presentation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant items subject to such estimates and assumptions include accrued liabilities, contaminated site liability, contingencies and tangible capital assets. Actual results could differ from estimates.

2. Short-term investments:

3. Investment/Deferred revenue - Water Management System:

Conservation Halton entered into an agreement for the transfer of a Water Management System and its long-term operation with an estimated timeline of 2063. The agreement is based on the principle that the net costs associated with ongoing operation, maintenance and performance of the Water Management System will not be a financial liability to Conservation Halton.

To ensure that Conservation Halton should not have a net financial liability for the management of the water system, Conservation Halton received amounts from 2008 to 2017 as part of the agreement. The amounts received are to be invested in accordance with Municipal Act Regulations and will be managed by an Investment Committee as required by the agreement. At the time of transfer Conservation Halton will be able to draw on the funds only to facilitate the management of the water system.

The funds are invested as follows:

	2022	2021
Cash	\$ 205	\$ 203
Provincial and provincially regulated agency bonds	10,431,382	7,952,991
Guaranteed investment certificates	2,300,373	4,398,423
Total	\$ 12,731,960	\$ 12,351,617

The provincial and provincially regulated agency bonds have effective yields of 3.11% to 4.22% (2021 - 3.11% to 4.15%). Interest is receivable on the date of maturity. Maturity dates range from July 16, 2027 to October 17, 2050.

The guaranteed investment certificate has an effective interest rate of 0.95% (2021 - 0.64% and 2.33%). Interest is receivable on the date of maturity. Maturity date is January 13, 2023.

In 2021, Conservation Halton received funding totaling \$7,437,811 and the amount was recorded as deferred revenue until the year ended December 31, 2021. The Canada Revenue Agency (CRA) through an audit determined that the Conservation Halton was not eligible for this subsidy. The subsidy was refunded to the CRA during 2022 in the full amount of \$7,437,811. The assessment resulted in interest owing of \$702,544 and was expensed in Corporate Services on the statement of operations in 2022. Conservation Halton is appealing this assessment and has also requested that interest charges be waived. A final decision by the CRA is pending as at December 31, 2022.

10. Budget amounts:

The 2022 budget amounts approved by Conservation Halton on October 21, 2021 were not prepared on a basis consistent with that used to report actual results under the Public Sector Accounting Standards. The budget was prepared on a modified accrual basis while Public Sector accounting Standards require a full accrual basis. The budget figures anticipated use of surpluses accumulated in previous years to reduce current year expenses in excess of current year revenues to \$nil. In addition, the budget expensed all tangible capital expenses rather than including amortization expenses. As a result, the budget figure presented in the statements of operations and changes in net financial assets represent the budget adopted by Conservation Halton on October 21, 2021, with adjustments as follows:

	2022	2021
Budget deficit for the year	\$ (1,377,270)	\$ (347,926)
Less: Amortization of tangible capital assets	(1,918,000)	(2,010,000)
Less: Municipal debt financing	5,397,123	2,510,180
Add: Acquisition of tangible capital assets	440,396	388,057
Add: Debt financing charges - principal portion	—	(526,500)
Budget surplus per Statement of Operations	\$ 2,542,249	\$ 13,811

11. Contingencies:

Conservation Halton has been named as defendant or co-defendant in several lawsuits that have claims outstanding. Conservation Halton anticipated any individual settlement amount will not exceed the limits of insurance coverage provided to Conservation Halton on the majority of the claims. For claims in which the claim amount exceeds the limit of insurance coverage provided to Conservation Halton the outcome is not determinable.

Conservation Halton has entered into an agreement related to the implementation of a monitoring and mitigation plan for the future rehabilitation of lands adjacent to a provincially significant wetland. The agreement requires a trust account to be established by the funder to ensure funds are available for the rehabilitation plan implementation. Conservation Halton is a member of the Investment Committee that oversees management of the trust account with a balance of \$2,901,595 (2021 - \$2,323,319) as at December 31, 2022. A deposit to the trust account by the funder required to be made by March 31, 2023 for \$322,640 (2021 - \$542,511) was completed. Conservation Halton will release their interest in the trust account when the implementation plan is completed.

12. Commitments:

Conservation Halton has entered into contracts related to projects at Glen Eden, various dam studies and repairs, and leases for office equipment and vehicles. Commitments outstanding on these contracts to be paid beyond December 31, 2022 are as follows:

2023	\$ 1,761,488

2025	34,150
2026	35,175

13. Pension agreements:

Conservation Halton belongs to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of the members of its staff. This plan specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Because OMERS is a multi-employer pension plan, any pension plan surpluses or deficits are the joint responsibility of Ontario municipal organizations and their employees. As a result, Conservation Halton does not recognize any share of the OMERS pension surplus or deficit.

The latest available report for the OMERS plan was December 31, 2022. At that time the plan reported a \$6.7 billion actuarial deficit (2021 - \$3.1 billion actuarial deficit), based on actuarial liabilities of \$128.8 billion (2021 - \$119.3 billion) and actuarial assets of \$122.1 billion (2021 - \$116.2 billion). Ongoing adequacy of the current contribution rates will need to be monitored and may lead to increased future funding requirements.

The 2022 employer portion of OMERS pension contributions was \$1,330,243 (2021 - \$1,284,600).

14. Comparative information:

Certain comparative information on the statement of operations under revenue and expenses have been reclassified to conform to the financial statement presentation adopted in the current year.

Materiality

We **initially determine materiality** at a level at which we consider that misstatements could reasonably be expected to influence the economic decisions of users. Determining materiality is a matter of **professional judgement**, considering both quantitative and qualitative factors, and is affected by our perception of the common financial information needs of users of the financial statements as a group. We do not consider the possible effect of misstatements on specific individual users, whose needs may vary widely.

We **reassess materiality** throughout the audit and revise materiality if we become aware of information that would have caused us to determine a different materiality level initially.

Plan and perform the audit

We **initially determine materiality** to provide a basis for:

- Determining the nature, timing and extent of risk assessment procedures;
- Identifying and assessing the risks of material misstatement; and
- Determining the nature, timing, and extent of further audit procedures.

We design our procedures to detect misstatements at a level less than materiality in individual accounts and disclosures, to reduce to an appropriately low level the probability that the aggregate of uncorrected and undetected misstatements exceeds materiality for the financial statements as a whole.

Evaluate the effect of misstatements

We also use materiality to evaluate the effect of:

- Identified misstatements on our audit; and
- Uncorrected misstatements, if any, on the financial statements and in forming our opinion.

Significant risks and results

Presumption of the risk of fraud resulting from management override of controls

Significant risk

Management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Although the level of risk of management override of controls will vary from entity to entity, the risk nevertheless is present in all entities.

As this presumed risk of material misstatement due to fraud is not rebuttable, our audit methodology incorporates the required procedures in professional standards to address this risk.

Our response

Our procedures performed included:

- Testing the design and implementation of controls surrounding the review of journal entries, and the business rationale for significant entries;
- Using our Data & Analytics tool, IDEA Smart Analyzer, analyzing the journal entries posted during the year;
- We set specific criteria to isolate high risk journal entries and adjustments in order to analyze for further insights into our audit procedures and findings; and

Significant findings

- We have not identified any specific additional risks of management override relating to this audit.
- No issues were noted.

Significant risks and results

Presumption of the risk of fraud involving improper revenue recognition

Significant risk

This is a presumed fraud risk of material misstatement under Canadian auditing standards.

Audit standards require us to assume there are generally pressures and incentives evaluating the business rationale of significant unusual transactions on management to commit fraudulent financial reporting through inappropriate revenue recognition. This can be perpetrated through revenue cut-off or manual journal entries and other adjustments related to revenue recognition.

We exercise professional judgement to rebut the presumed risk of fraud in revenue recognition after we consider and evaluate the facts and circumstances of the audit. We have rebutted the fraud risk over revenue recognition.

There are limited perceived opportunities to commit fraud and Halton Conservation's revenue sources require very minimal judgement. Halton Conservation's performance is not measured based on earnings and a significant portion of revenues can be tied directly to government funding support.

Our response

No impact as risk has been rebutted.

Control deficiencies

Consideration of internal control over financial reporting (ICFR)

In planning and performing our audit, we considered ICFR relevant to the Entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on ICFR.

Our understanding of internal control over financial reporting was for the limited purpose described above and was not designed to identify all control deficiencies that might be significant deficiencies. The matters being reported are limited to those deficiencies that we have identified during the audit that we have concluded are of sufficient importance to merit being reported to those charged with governance.

Our awareness of control deficiencies varies with each audit and is influenced by the nature, timing, and extent of audit procedures performed, as well as other factors. Had we performed more extensive procedures on internal control over financial reporting, we might have identified more significant deficiencies to be reported or concluded that some of the reported significant deficiencies need not, in fact, have been reported.

A deficiency in internal control over financial reporting

A deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed, or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

Significant deficiencies in internal control over financial reporting

A significant deficiency in internal control over financial reporting is a deficiency, or combination of deficiencies, in internal control that, in the auditor's professional judgment, is of sufficient importance to merit the attention of those charged with governance.

KPMG has not identified any significant control deficiencies as a result of our audit.

Attachment I – Definitions

Materiality

Certain representations in this letter are described as being limited to matters that are material.

Information is material if omitting, misstating or obscuring it could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Judgments about materiality are made in light of surrounding circumstances, and are affected by perception of the needs of, or the characteristics of, the users of the financial statements and, the size or nature of a misstatement, or a combination of both while also considering the entity's own circumstances.

Fraud & error

Fraudulent financial reporting involves intentional misstatements including omissions of amounts or disclosures in financial statements to deceive financial statement users.

Misappropriation of assets involves the theft of an entity's assets. It is often accompanied by false or misleading records or documents in order to conceal the fact that the assets are missing or have been pledged without proper authorization.

An error is an unintentional misstatement in financial statements, including the omission of an amount or a disclosure.

Appendix 3: Accounting standards updates

Area	Summary and implications
Asset Retirement Obligations, Section PS 3280 Pronouncement	<p>The new standard addresses the recognition, measurement, presentation and disclosure of legal obligations associated with retirement of tangible capital assets in productive use. Retirement costs will be recognized as an integral cost of owning and operating tangible capital assets. PSAB currently contains no specific guidance in this area.</p> <p>The ARO standard will require the public sector entity to record a liability related to future costs of any legal obligation to be incurred upon retirement of any controlled tangible capital assets (“TCA”). The amount of the initial liability will be added to the historical cost of the asset and amortized over its useful life.</p> <p>As a result of the new standard, the public sector entity will have to:</p> <ul style="list-style-type: none"> — Consider how the additional liability will impact net debt, as a new liability will be recognized with no corresponding increase in a financial asset; — Carefully review legal agreements, senior government directives and legislation in relation to all controlled TCA to determine if any legal obligations exist with respect to asset retirements; — Begin considering the potential effects on the organization as soon as possible to coordinate with resources outside the finance department to identify AROs and obtain information to estimate the value of potential AROs to avoid unexpected issues. <p>The new standard is effective for fiscal years beginning on or after April 1, 2022 – Conservation Halton’s December 31, 2023 year end.</p>
Revenue, Section PS 3400 Pronouncement	<p>The new standard establishes a single framework to categorize revenues to enhance the consistency of revenue recognition and its measurement.</p> <p>The standard notes that in the case of revenues arising from an exchange transaction, a public sector entity must ensure the recognition of revenue aligns with the satisfaction of related performance obligations.</p> <p>The standard notes that unilateral revenues arise when no performance obligations are present, and recognition occurs when there is authority to record the revenue and an event has happened that gives the public sector entity the right to the revenue.</p> <p>The new standard is effective for fiscal years beginning on or after April 1, 2023 – Conservation Halton’s December 31, 2024 year end.</p>

Any elections would not be recognized in the statement of remeasurement gains or losses.</p> <p>These amendments are effective for fiscal years beginning on or after April 1, 2022 (Conservation Halton's December 31, 2023 year end), with earlier adoption permitted.</p>

CAS 315 (Revised) Identifying and Assessing the Risks of Material Misstatement has been revised, reorganized and modernized in response to challenges and issues with the previous standard. It aims to promote consistency in application, improve scalability, reduce complexity, support a more robust risk assessment and incorporate enhanced guidance material to respond to the evolving environment, including in relation to information technology. Conforming and consequential amendments have been made to other International Standards on Auditing.

Affects both preparers of financial statements and auditors

Applies to audits of financial statements for periods beginning on or after 15 December 2021

See here for more information from CPA Canada

We design and perform risk assessment procedures to obtain an understanding of the:

- entity and its environment;
- applicable financial reporting framework; and
- entity's system of internal control.

The audit evidence obtained from this understanding provides a basis for:

- identifying and assessing the risks of material misstatement, whether due to fraud or error; and
- the design of audit procedures that are responsive to the assessed risks of material misstatement.

Overall, a more robust risk identification and assessment process, including evaluating whether the audit evidence obtained from risk assessment procedures provides an appropriate basis to identify and assess the risks of material misstatement	When making this evaluation, we consider all audit evidence obtained, whether corroborative or contradictory to management assertions. If we conclude the audit evidence obtained does not provide an appropriate basis, then we perform additional risk assessment procedures until audit evidence has been obtained to provide such a basis.	In certain circumstances, we may perform additional risk assessment procedures, which may include further inquiries of management, analytical procedures, inspection and/or observation.
Overall, a more robust risk identification and assessment process, including performing a ‘stand back’ at the end of the risk assessment process	We evaluate whether our determination that certain material classes of transactions, account balances or disclosures have no identified risks of material misstatement remains appropriate.	In certain circumstances, this evaluation may result in the identification of additional risks of material misstatement, which will require us to perform additional audit work to respond to these risks.

Appendix 4: New auditing standards (continued)

Key change

Clarification of which controls need to be identified for the purpose of evaluating the design and implementation of a control

Impact on the audit team

We will evaluate the design and implementation of controls that address risks of material misstatement at the assertion level as follows:

- Controls that address a significant risk.
- Controls over journal entries, including non-standard journal entries.
- Other controls we consider appropriate to evaluate to enable us to identify and assess risks of material misstatement and design our audit procedures

Impact on management

We may identify new or different controls that we plan to evaluate the design and implementation of, and possibly test the operating effectiveness to determine if we can place reliance on them.

We may also identify risks arising from IT relating to the controls we plan to evaluate, which may result in the identification of general IT controls that we also need to evaluate and possibly test whether they are operating effectively. This may require increased involvement of IT audit specialists.

November 16, 2022

The purpose of this letter is to outline the terms of our engagement to audit the annual financial statements ("financial statements" or "annual financial statements") of Conservation Halton (the "Entity"), commencing for the period ending December 31, 2022.

This letter supersedes our previous letter to the Entity dated November 30, 2018.

The terms of the engagement outlined in this letter will continue in effect from period to period, unless amended or terminated in writing. The attached Assurance Terms and Conditions and any exhibits, attachments and appendices hereto and subsequent amendments form an integral part of the terms of this engagement and are incorporated herein by reference (collectively the "Engagement Letter").

FINANCIAL REPORTING FRAMEWORK FOR THE FINANCIAL STATEMENTS

The annual financial statements will be prepared and presented in accordance with Canadian public sector accounting standards (hereinafter referred to as the "financial reporting framework").

The annual financial statements will include an adequate description of the financial reporting framework.

MANAGEMENT'S RESPONSIBILITIES

Management responsibilities are described in Appendix – Management's Responsibilities.

An audit of the annual financial statements does not relieve management or those charged with governance of their responsibilities.

AUDITOR'S RESPONSIBILITIES

Our responsibilities are described in Appendix – Auditor's Responsibilities.

If management does not fulfill the responsibilities above, we cannot complete our audit.

ADDITIONAL RESPONSIBILITIES REGARDING "OTHER INFORMATION"

"Other information" is defined in professional standards to be the financial or non-financial information (other than the financial statements and the auditors' report thereon) included in the "annual report". An "annual report" is defined in professional standards to comprise a document or combination of documents. Professional standards also indicate that:

- an annual report is prepared typically on an annual basis in accordance with law, regulation or custom (i.e., is reoccurring)
- an annual report contains or accompanies the financial statements and the auditors' report thereon
- an annual report's purpose is to provide owners (or similar stakeholders) with information on the Entity's:
 - operations; and/or
 - financial results and financial position as set out in the financial statements.

Based on discussions with management, there are no documents, or combination of documents, expected to meet the definition of an "annual report" under professional standards.

AUDITOR'S DELIVERABLES

Unless otherwise specified, our report(s) will be in writing and the expected content of our report(s) are provided in *Appendix – Expected Form of Report*. However, there may be circumstances in which a report may differ from its expected form and content.

In addition, if we become aware of information that relates to the information we reported on after we have issued our report, but which was not known to us at the date of our report, and which is of such a nature and from such a source that we would have investigated that information had it come to our attention during the course of our engagement, we will, as soon as practicable: (1) communicate such an occurrence to those charged with governance; and (2) undertake an investigation to determine whether the information is reliable and whether the facts existed at the date of our report. Further, management agrees that in conducting that investigation, we will have the full cooperation of the Entity's personnel. If the subsequently discovered information is found to be of such a nature that: (a) our report would have been affected if the information had been known as of the date of our report; and (b) we believe that the report may have been distributed to someone who would attach importance to the information, appropriate steps will be taken by KPMG, and appropriate steps will also be taken by the Entity, to advise of the newly discovered facts and the impact to the information we reported on.

INCOME TAX COMPLIANCE AND ADVISORY SERVICES

This letter details the general tax advisory services to be provided to the Entity for the 2022 calendar year and in the future. If there are tax services to be delivered outside the scope of those described in this letter, we will require a separate engagement letter for those services.

We will perform the following services under the terms of this engagement:

General tax advisory services

Our tax advice generally falls under one of the following situations:

1. On an ongoing basis, we will provide advisory services of a general nature relating to various income, capital, payroll and indirect tax matters as they arise. This type of service generally arises on a periodic basis as a result of preliminary inquiries made by you. In rendering these services, it is important to recognize that the advice provided is dependent on the detail of the information provided and the environment in which it is rendered. When professional judgment suggests written confirmation of the facts and advice is necessary, we will draft the appropriate correspondence to ensure the appropriate standard of care is met by all parties.
2. Periodically, you will seek detailed advice from us in connection with a specific transaction or undertaking you are contemplating. In such a situation, our advice will be based on the information provided to us. It is the responsibility of the Entity to ensure we are provided with all the information necessary in order for us to render the advice sought. Our tax advice will most likely be communicated to you, or your designate, in writing.

Our tax advisory services, both written and oral, will be based on the facts and assumptions submitted to us. We will not independently verify this information. Inaccuracy or incompleteness of the information could have a material effect on our conclusions.

Our advice will be limited to the conclusions specifically set forth in our reporting letter and KPMG will not express an opinion with respect to any other federal, provincial or foreign tax or legal aspect of the transactions described therein. It should be noted that the Canada Revenue Agency and/or the relevant provincial tax authority and/or any other governmental tax authority (collectively a Tax or Revenue Authority) could take a different position with respect to these transactions, in which case it may be necessary for you to defend this position on appeal from an assessment or litigate the dispute before the courts, including one or more appellate courts, in order for our conclusions to prevail. If a settlement were reached with a Tax or Revenue Authority or if such appeal and litigation were not, or were not entirely, successful, the result would likely be different from the views we express in our reporting letter. Unless expressly provided for, KPMG's services do not include representing Client in the event of a challenge by a Tax or Revenue Authority or litigation before any court.

Conservation Halton
November 16, 2022

Advice delivered outside the scope described in this letter will require a separate engagement letter. Appendix - Management's Responsibilities

Management acknowledges and understands that they are responsible for:

- (a) the preparation and fair presentation of the financial statements in accordance with the financial reporting framework referred to above.
- (b) providing us with all information of which management is aware that is relevant to the preparation of the financial statements ("relevant information") such as financial records, documentation and other matters, including:
 - the names of all related parties and information regarding all relationships and transactions with related parties
 - complete minutes of meetings, or summaries of actions of recent meetings for which minutes have not yet been prepared, of shareholders, board of directors, and committees of the board of directors that may affect the financial statements. All significant actions are to be included in such summaries.
- (c) providing us with unrestricted access to such relevant information.
- (d) providing us with complete responses to all enquiries made by us during the engagement.
- (e) providing us with additional information that we may request from management for the purpose of the engagement.
- (f) providing us with unrestricted access to persons within the Entity from whom we determine it necessary to obtain evidence.
- (g) such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. Management also acknowledges and understands that they are responsible for the design, implementation and maintenance of internal control to prevent and detect fraud.
- (h) ensuring that all transactions have been recorded and are reflected in the financial statements.
- (i) providing us with written representations required to be obtained under professional standards and written representations that we determine are necessary. Management also acknowledges and understands that, as required by professional standards, we may disclaim an audit opinion when management does not provide certain written representations required.
- (j) ensuring that internal auditors providing direct assistance to us, if any, will be instructed to follow our instructions and that management, and others within the entity, will not intervene in the work the internal auditors perform for us.

Appendix - Auditor's Responsibilities

Our function as auditors of the Entity is:

- to express an opinion on whether the Entity's annual financial statements, prepared by management with the oversight of those charged with governance, are, in all material respects, in accordance with the financial reporting framework referred to above
- to report on the annual financial statements

We will conduct the audit of the Entity's annual financial statements in accordance with Canadian generally accepted auditing standards and relevant ethical requirements, including those pertaining to independence (hereinafter referred to as applicable "professional standards").

We will plan and perform the audit to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error. Accordingly, we will, among other things:

- identify and assess risks of material misstatement, whether due to fraud or error, based on an understanding of the Entity and its environment, including the Entity's internal control. In making those risk assessments, we consider internal control relevant to the Entity's preparation of the annual financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control
- obtain sufficient appropriate audit evidence about whether material misstatements exist, through designing and implementing appropriate responses to the assessed risks
- form an opinion on the Entity's annual financial statements based on conclusions drawn from the audit evidence obtained
- communicate matters required by professional standards, to the extent that such matters come to our attention, to the appropriate level of management, those charged with governance and/or the board of directors. The form (oral or in writing) and the timing will depend on the importance of the matter and the requirements under professional standards

Appendix - Expected Form of Report

INDEPENDENT AUDITOR'S REPORT

To the Directors of Conservation Halton

Opinion

We have audited the financial statements of Conservation Halton (the Entity), which comprise:

- the statement of financial position as at December 31, 2022
- the statement of operations and changes in accumulated surplus for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2022, and its results of operations, its changes in accumulated surplus, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the **"Auditor's Responsibilities for the Audit of the Financial Statements"** section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Statements and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Appendix - Expected Form of Report (continued)

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Appendix - COVID-19 Rider

1. During the engagement, each party shall keep the other party reasonably informed of any events which:
 - i. relate to the notifying party and the COVID-19 situation;
 - ii. are not existing or reasonably foreseeable at the date of this agreement; and
 - iii. which will materially and adversely affect the notifying party's ability to perform its obligations under the engagement.
2. Each party will implement mitigation measures to enable the services to be performed so far as reasonably practicable in the circumstances, including:
 - i. reducing travel (particularly international travel) and in-person meetings to the minimum necessary level;
 - ii. at the party's premises, implementing such infection control procedures as are recommended or required by official bodies in the applicable location;
 - iii. implementing internal corporate policies which permit and encourage individual remote working, and technical systems to enable individual remote working; and
 - iv. implementing telepresence, audio conference, video conference, and other systems for collaborative working.
3. If, as a result of the global COVID-19 virus situation, performance by a party of its obligations under the engagement are rendered impossible or impracticable, the time for performance of such obligations shall be extended by such period as is reasonable in the circumstances, PROVIDED THAT the party in question is complying, and continues to comply, with its obligations pursuant to paragraphs 1 and 2 above.

TERMS AND CONDITIONS FOR ASSURANCE ENGAGEMENTS (NOT-FOR-PROFIT)

These Terms and Conditions are an integral part of the accompanying engagement letter or proposal from KPMG that identifies the engagement to which they relate (and collectively form the "Engagement Letter"). The Engagement Letter supersedes all written or oral representations on this matter. The term "Entity" used herein has the meaning set out in the accompanying engagement letter or proposal. The term "Management" used herein means the management of Entity.

1. DOCUMENTS AND LICENSES.

- a. All working papers, files and other internal materials created or produced by KPMG in relation to this engagement and all copyright and intellectual property rights therein are the property of KPMG.
- b. Only in connection with the services herein, Entity hereby grants to KPMG a limited, revocable, non-exclusive, non-transferable, paid up and royalty-free license, without right of sublicense, to use all logos, trademarks and service marks of Entity solely for presentations or reports to Entity or for internal KPMG presentations and intranet sites. Further, Entity agrees that KPMG may list Entity as a customer in KPMG's internal and external marketing materials, including KPMG websites and social media, indicating the general services rendered (e.g., "Client is an Audit, Advisory, and/or Tax client of KPMG LLP").

2. ENTITY'S RESPONSIBILITIES.

- a. Entity agrees that all management responsibilities will be performed and all management decisions will be made by Entity, and not by KPMG.
- b. Entity's provision of documents and information to KPMG on a timely basis is an important factor in our ability to issue any reports under this Engagement Letter. KPMG is not responsible for any consequences arising from Entity's failure to deliver documents and information as required.
- c. To the extent that KPMG personnel are on Entity's premises, Entity will take all reasonable precautions for their safety.
- d. Entity understands and acknowledges that KPMG's independence may be impaired if any KPMG partner, employee or contractor accepts any offer of employment from Entity.
- e. Except as required by applicable law or regulation, Entity shall keep confidential the terms of this Engagement Letter, and such confidential information shall not be distributed, published or made available to any other person without KPMG's express written permission.
- f. Management agrees to promptly provide us with a copy of any comment letter or request for information issued by any securities or other regulatory authority in respect of information on which KPMG reported, including without limitation any continuous disclosure filings.

3. FEE ARRANGEMENTS.

- a. KPMG's estimated fee is based in part on the quality of Entity's records, the agreed-upon level of preparation and assistance from Entity's personnel, and adherence by Entity to the agreed-upon timetable. KPMG's estimated fee also assumes that Entity's financial statements and/or other financial information, as applicable, are prepared in accordance with the relevant financial reporting framework or the relevant criteria, as applicable, and that there are no significant changes to the relevant financial reporting framework or the relevant criteria, as applicable; no significant new or changed accounting policies; no

significant changes to internal control; and no other significant issues.

b. Additional time may be incurred for such matters as significant issues, significant unusual and/or complex transactions, informing management about new professional standards, and any related accounting advice. Where these matters arise and require research, consultation and work beyond that included in the estimated fee, Entity and KPMG agree to revise the estimated fee. Our professional fees are also subject to an additional charge to cover information technology infrastructure costs and administrative support of our client service personnel. Disbursements for items such as travel, accommodation and meals will be charged based on KPMG's actual disbursements.

c. KPMG's invoices are due and payable upon receipt. Amounts overdue are subject to interest. In order to avoid the possible implication that unpaid fees might be viewed as creating a threat to KPMG's independence, it is important that KPMG's bills be paid promptly when rendered. If a situation arises in which it may appear that KPMG's independence is threatened because of significant unpaid bills, KPMG may be prohibited from signing any applicable report and/or consent.

d. Fees for any other services will be billed separately from the services described in this Engagement Letter and may be subject to written terms and conditions supplemental to those in the Engagement Letter.

e. Canadian Public Accountability Board ("CPAB") participation fees, when applicable, are charged to Entity based on the annual fees levied by CPAB.

4. USE OF MEMBER FIRMS AND THIRD PARTY SERVICE PROVIDERS; STORAGE AND USE OF INFORMATION.

a. KPMG is a member firm of the KPMG International Cooperative ("KPMG International"). Entity acknowledges that in connection with the provision of services hereunder, KPMG may use the services of KPMG International member firms, as well as other third party service providers or subcontractors, and KPMG shall be entitled to share with them all documentation and information related to the engagement, including Entity's confidential information and personal information ("information"). KPMG may also: (i) directly, or using such aforementioned KPMG International member firms, third party service providers or subcontractors, perform data analytics in respect of the information; and (ii) retain and disclose to KPMG International member firms the information to share best practices or for knowledge sharing purposes. In all such cases, such information may be used, retained, processed, or stored outside of Canada by such KPMG International member firms, other third party service providers or subcontractors, and may be subject to disclosure in accordance with the laws applicable in the jurisdiction in which the information is used, retained, processed or stored, which laws may not provide the same level of protection for such information as will Canadian laws. KPMG represents that such KPMG International member firms, other third party service providers or subcontractors have agreed or shall agree to conditions of confidentiality with respect to Entity's confidential information, and that KPMG is responsible to ensure their compliance with those conditions. Any services performed by KPMG International member firms or other third party service providers or subcontractors shall be performed in accordance with the terms of this Engagement Letter, but KPMG remains

TERMS AND CONDITIONS FOR ASSURANCE ENGAGEMENTS (NOT-FOR-PROFIT)

solely responsible to Entity for the delivery of the services hereunder. Entity agrees that any claims that may arise out of the engagement will be brought solely against KPMG, the contracting party, and not against any other KPMG International member firms or other third party service providers or subcontractors referred to above.

b. Certain information (including information relating to time, billing and conflicts) collected by KPMG during the course of the engagement may be used, retained, processed and stored outside of Canada by KPMG, KPMG International member firms or third party service providers or subcontractors providing support services to KPMG for administrative, technological and clerical/organizational purposes, including in respect of client engagement acceptance procedures and maintaining engagement profiles; and to comply with applicable law, regulation or professional standards (including for quality performance reviews). Such information may be subject to disclosure in accordance with the laws applicable in the jurisdiction in which the information is used, retained, processed or stored, which laws may not provide the same level of protection for such information as will Canadian laws. KPMG may also share information with its legal advisers and insurers for the purposes of obtaining advice.

c. Entity acknowledges that KPMG aggregates anonymous information from sources including the Entity for various purposes, including to monitor quality of service, and Entity consents to such use. KPMG may also use Entity's information to offer services that may be of interest to Entity.

5. PERSONAL INFORMATION CONSENTS AND NOTICES.

KPMG may be required to collect, use and disclose personal information about individuals during the course of the engagement. Any collection, use or disclosure of personal information is subject to KPMG's Privacy Policy available at www.kpmg.ca. Entity represents and warrants that (i) it will obtain any consents required to allow KPMG to collect, use and disclose personal information in the course of the engagement, and (ii) it has provided notice to those individuals whose personal information may be collected, used and disclosed by KPMG hereunder of the potential processing of such personal information outside of Canada (as described in Section 4 above). KPMG's Privacy Officer noted in KPMG's privacy policy is able to answer any individual's questions about the collection of personal information required for KPMG to deliver services hereunder.

6. THIRD PARTY DEMANDS FOR DOCUMENTATION AND INFORMATION / LEGAL AND REGULATORY PROCESSES.

a. Entity on its own behalf hereby acknowledges and agrees to cause its subsidiaries and affiliates to acknowledge that KPMG or a foreign component auditor which has been engaged in connection with an assurance engagement ("component auditor") may from time to time receive demands from a third party (each, a "third party demand"), including without limitation (i) from CPAB or from professional, securities or other regulatory, taxation, judicial or governmental authorities (both in Canada and abroad), to provide them with information and copies of documents in KPMG's or the component auditor's files including (without limitation) working papers and other work-product relating to the affairs of Entity, its subsidiaries and affiliates, and

(ii) summons for production of documents or information related to the services provided hereunder; which information and documents may contain confidential information of Entity, its subsidiaries or affiliates. Except where prohibited by law, KPMG or its component auditor, as applicable, will advise Entity or its affiliate or subsidiary of the third party demand. Entity acknowledges, and agrees to cause its subsidiaries and affiliates to acknowledge, that KPMG or its component auditor, as applicable, will produce documents and provide information in response to the third party demand, without further authority from Entity, its subsidiaries or affiliates.

b. KPMG will use reasonable efforts to withhold from production any documentation or information over which Entity asserts privilege. Entity must identify any such documentation or information at the time of its provision to KPMG by marking it as "privileged". Notwithstanding the foregoing, where disclosure of such privileged documents is required by law, KPMG will disclose such privileged documents. If and only if the authority requires such access to such privileged documents pursuant to the laws of a jurisdiction in which express consent of Entity is required for such disclosure, then Entity hereby provides its consent.

c. Entity agrees to reimburse KPMG for its professional time and any disbursements, including reasonable legal fees and taxes, in responding to third party demands.

d. Entity waives and releases KPMG from any and all claims that it may have against KPMG as a result of any disclosure or production by KPMG of documents or information as contemplated herein.

e. Entity agrees to notify KPMG promptly of any request received by Entity from any third party with respect to the services hereunder, KPMG's confidential information, KPMG's advice or report or any related document.

7. CONNECTING TO THE ENTITY'S IT NETWORK; EMAIL AND ONLINE FILE SHARING AND STORAGE TOOLS.

a. Entity authorizes KPMG personnel to connect their computers to Entity's IT Network and the Internet via the Network while at the Entity's premises for the purpose of conducting normal business activities.

b. Entity recognizes and accepts the risks associated with communicating electronically, and using online file sharing, storage, collaboration and other similar online tools to transmit information to or sharing information with KPMG, including (but without limitation) the lack of security, unreliability of delivery and possible loss of confidentiality and privilege. Entity assumes all responsibility or liability in respect of the risk associated with the use of the foregoing, and agrees that KPMG is not responsible for any issues that might arise (including loss of data) as a result of Entity using the foregoing to transmit information to or otherwise share information with KPMG and, in the case of online tools other than email, KPMG's access to and use of the same in connection with obtaining Entity information and documents.

8. LIMITATION ON WARRANTIES.

THIS IS A SERVICES ENGAGEMENT. KPMG WARRANTS THAT IT WILL PERFORM SERVICES HEREUNDER IN GOOD FAITH WITH QUALIFIED PERSONNEL IN A COMPETENT AND WORKMANLIKE MANNER IN ACCORDANCE WITH APPLICABLE INDUSTRY STANDARDS. SUBJECT TO

TERMS AND CONDITIONS FOR ASSURANCE ENGAGEMENTS (NOT-FOR-PROFIT)

SECTION 14, KPMG DISCLAIMS ALL OTHER WARRANTIES, REPRESENTATIONS OR CONDITIONS, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES, REPRESENTATIONS OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

9. LIMITATION ON LIABILITY AND INDEMNIFICATION

a. Subject to Section 14: (i) Entity agrees that KPMG shall not be liable to Entity for any actions, damages, claims, fines, penalties, complaints, demands, suits, proceedings, liabilities, costs, expenses, or losses (collectively, "Claims") in any way arising out of or relating to the services performed hereunder for an aggregate amount in excess of the lesser of one million dollars (\$1,000,000) or two times the fees paid by Entity to KPMG under the engagement; and (ii) on a multi-phase engagement, KPMG's liability shall be based on the amount actually paid to KPMG for the particular phase that gives rise to the liability.

b. Subject to Section 14, in the event of a Claim by any third party against KPMG that arises out of or relates to the services performed hereunder, Entity will indemnify and hold harmless KPMG from all such Claims, including, without limitation, reasonable legal fees, except to the extent finally determined to have resulted from the intentional, deliberate or fraudulent misconduct of KPMG.

c. Subject to Section 14: (i) in no event shall KPMG be liable for consequential, special, indirect, incidental, punitive or exemplary damages, liabilities, costs, expenses, or losses (including, without limitation, lost profits and opportunity costs); (ii) in any Claim arising out of the engagement, Entity agrees that KPMG's liability will be several and not joint and several; and (iii) Entity may only claim payment from KPMG of KPMG's proportionate share of the total liability based on degree of fault.

d. For purposes of this Section 9, the term KPMG shall include its subsidiaries, its associated and affiliated entities and their respective current and former partners, directors, officers, employees, agents and representatives. The provisions of this Section 9 shall apply regardless of the form of Claim, whether in contract, statute, tort (including, without limitation, negligence) or otherwise.

10. CONSENT TO THE USE OF THE KPMG NAME OR KPMG REPORT

Except as otherwise specifically agreed in this Engagement Letter, KPMG does not consent to:

- i. the use of our name or our report in connection with information, other than what we have reported on as part of this engagement letter or our report thereon, that contains, incorporates by reference, or otherwise accompanies our report or our name;

Any communication, report, statement or conclusion on the interim financial statements may not be included in, or otherwise referred to in any public document or public oral statements except when the interim review conclusion contains a modified conclusion, in which case our interim review report will accompany the interim financial statements.

If the Entity wishes to obtain KPMG's consent regarding the matters above or other matters not otherwise specifically covered by this Engagement Letter, we will be required to perform procedures as required by applicable professional standards, and such procedures would be a separate engagement and subject to separate engagement terms.

11. ALTERNATIVE DISPUTE RESOLUTION

Any dispute or claim between the parties arising under or relating to this Engagement Letter or the services provided hereunder (the "Dispute") shall be submitted to non-binding mediation. If mediation is not successful within 90 days after the issuance by a party of a request for mediation, then the Dispute shall be referred to and finally resolved by arbitration under the Arbitration Rules of the ADR Institute of Canada in force at that time. The Seat of Arbitration shall be the province where KPMG's principal office performing this engagement is located. The language of the arbitration shall be English. 12. POTENTIAL CONFLICTS OF INTEREST

a. KPMG is or may be engaged by entities and individuals who have potentially conflicting legal and business interests to Entity. Entity agrees that, without further notice or disclosure to Entity, KPMG may: (i) accept or continue such engagements on matters unrelated to KPMG's engagement for Entity; and (ii) provide advice or services to any other person or entity making a competing bid or proposal to that of Entity whether or not KPMG is providing advice or services to Entity in respect of Entity's competing bid or proposal.

b. In accordance with professional standards, KPMG will not use any confidential information regarding Entity in connection with its engagements with other clients, and will establish confidentiality and other safeguards to manage conflicts, which may include, in KPMG's sole discretion, the use of separate engagement teams and data access controls.

c. In no event shall KPMG be liable to Entity, or shall Entity be entitled to a return of fees or disbursements, or any other compensation whatsoever as a result of KPMG accepting or continuing a conflicting engagement in accordance with the terms of this Engagement Letter.

d. Entity agrees that KPMG may, in its sole discretion, disclose the fact and nature of its engagement for Entity to (i) KPMG International member firms to inform conflict searches, and (ii) to the extent reasonably required in order to obtain the consent of another entity or individual in order to permit KPMG to act for such entity or individual, or for Entity, in connection with the engagement or any future engagement.

e. In the event that circumstances arise that place KPMG into a conflict of interest as between Entity and a pre-existing client,

TERMS AND CONDITIONS FOR ASSURANCE ENGAGEMENTS (NOT-FOR-PROFIT)

which in KPMG's sole opinion cannot be adequately addressed through the use of confidentiality and other safeguards, KPMG shall be entitled to immediately terminate the engagement with Entity, without liability.

f. Other KPMG International member firms are or may be engaged by entities and individuals who have potentially conflicting legal and business interests to Entity. Entity agrees that (i) it will not assert that other KPMG International member firms are precluded from being engaged by those other entities or individuals, and (ii) those engagements of other KPMG International member firms do not conflict with KPMG's engagement for Entity.

13. LOBBYING.

Unless expressly stated in this Engagement Letter, KPMG will not undertake any lobbying activity, as that term is defined in all applicable federal, provincial and municipal lobbyist registration statutes and regulations, in connection with the engagement. In the event that KPMG and Entity agree that KPMG will undertake lobbying activity in connection with the engagement, such agreement shall be set out in an amendment to this Engagement Letter.

14. SEVERABILITY.

The provisions of these Terms and Conditions and the accompanying proposal or engagement letter shall only apply to the extent that they are not prohibited by a mandatory provision of applicable law, regulation or professional standards. If any of the provisions of these Terms and Conditions or the accompanying proposal or engagement letter are determined to be invalid, void or unenforceable, the remaining provisions of these Terms and Conditions or the accompanying proposal or engagement letter, as the case may be, shall not be affected, impaired or invalidated, and each such provision shall remain valid and in effect and be enforceable and binding on the parties to the fullest extent permitted by law.

15. GOVERNING LAW.

This Engagement Letter shall be subject to and governed by the laws of the province where KPMG's principal office performing this engagement is located (without regard to such province's rules on conflicts of law).

16. LLP STATUS.

17. INDEPENDENT LEGAL ADVICE

Entity agrees that it been advised to retain independent legal advice at its own expense prior to signing this Engagement Letter (including without limitation with respect to Entity's rights in connection with potential future conflicts) and agrees that any failure on its part to retain such independent legal counsel shall not affect (and it shall not assert that the same affects) the validity of the provisions of this Engagement Letter.

18. SURVIVAL.

All sections hereof other than Section 7(a) shall survive the expiration or termination of the engagement.

TERMS AND CONDITIONS FOR ADVISORY AND TAX SERVICES

1. TERMS AND CONDITIONS.

References to the word "Client" in the attached Terms and Conditions for Advisory and Tax Services are to be read as "Entity".

a. These Terms and Conditions are an integral part of the accompanying Proposal or Engagement Letter from KPMG that identifies the engagement to which they relate.

b. In the event of conflict between the Proposal or Engagement Letter and these Terms and Conditions, these Terms and Conditions shall prevail unless specific reference to a provision of the Terms and Conditions being varied is made in the Proposal or Engagement Letter. Other capitalized words in these Terms and Conditions shall have the meanings given to them in the Proposal or Engagement Letter.

2. SERVICES.

KPMG will use reasonable efforts to complete the performance of the services within any agreed-upon time-frame. It is understood and agreed that KPMG's services may include advice and recommendations, but all decisions in connection with the implementation of such advice and recommendations, shall be the responsibility of, and made by, Client. KPMG will not perform management functions or make management decisions for Client. 3. CLIENT RESPONSIBILITIES.

a. Client agrees to cooperate with KPMG in the performance of the services under the Engagement Letter and shall provide or arrange to provide KPMG with timely access to and use of the personnel, facilities, equipment, data and information necessary for KPMG to perform the services under the Engagement Letter. To the extent that KPMG personnel are on Client premises, Client will take all reasonable precautions for the safety of KPMG partners and employees at Client premises. Client shall be responsible for the performance of its employees and agents and for the accuracy and completeness of all data and information provided to KPMG for purposes of the performance by KPMG of its services hereunder. The Proposal or Engagement Letter may set forth additional responsibilities of Client in connection with the engagement. Client acknowledges that Client's failure to perform these obligations could adversely impact KPMG's ability to perform its services.

b. Client agrees that Client, and not KPMG, shall perform the following functions: (i) make all management decisions and perform all management functions; (ii) designate an individual who possesses suitable skill, knowledge and experience, preferably within senior management, to oversee the performance of the services under the Engagement Letter, and to evaluate the adequacy and results of such services; (iii) accept responsibility for the results of such services; and (iv) establish and maintain internal controls over the processes with which such services are concerned, including, without limitation, monitoring ongoing activities.

c. Client acknowledges and agrees that KPMG will, in performing the services, base its conclusions on the facts and assumptions that Client furnishes and that KPMG may use data, material, and other information furnished by or at the request or direction of Client without any independent investigation or verification and that KPMG shall be entitled to rely upon the

accuracy and completeness of such data, material and other information. Inaccuracy or incompleteness of such data, material and other information furnished to KPMG could have a material effect on KPMG's conclusions.

d. Client acknowledges that information made available by it, or by others on Client's behalf, or otherwise known to partners or staff of KPMG who are not engaged in the provision of the services hereunder shall not be deemed to have been made available to the individuals within KPMG who are engaged in the provision of the services hereunder. Client undertakes that, if anything occurs after information is provided by Client to KPMG to render such information untrue, unfair or misleading, Client shall promptly notify KPMG.

4. REPORTING.

a. All oral and written communications by KPMG to Client with respect to the engagement, including, without limitation, drafts and those communications occurring prior to the execution of the Engagement Letter will be subject to the terms and conditions of the Engagement Letter and these Terms and Conditions. During the performance of the services, KPMG may supply oral, draft or interim advice, reports or presentations but in such circumstances KPMG's written advice or final written report shall take precedence. No reliance should be placed by Client on any oral, draft or interim advice, reports or presentations. Where Client wishes to rely on oral advice or oral presentation, Client shall inform KPMG and KPMG will provide documentary confirmation of the advice concerned.

b. Subsequent to the completion of the engagement, KPMG will not update its advice, recommendations or work product for changes or modification to the law and regulations, or to the judicial and administrative interpretations thereof, or for subsequent events or transactions, unless Client separately engages KPMG to do so in writing after such changes or modifications, interpretations, events or transactions occur.

5. WORKING PAPERS AND USE OF REPORTS; USE OF NAME AND LOGO

a. KPMG retains all rights in all methodologies, know-how, knowledge, applications and software developed by KPMG either prior to or during the engagement. KPMG also retains all rights (including, without limitation, copyright) in all reports, written advice and other working papers and materials developed by KPMG during the engagement. Unless contemplated by the Engagement Letter, all reports and written advice are confidential and intended solely for Client's internal use (or the use of Client's management, as applicable) to assist with this specific matter or transaction, and, where applicable, government taxation authorities, and are not for general use, circulation or publication. Such reports and written advice shall not be edited, referred to, circulated, reproduced, distributed, published, made available, used for any other purpose or relied upon by any other person without KPMG's express written permission and on such terms and conditions as KPMG may require in its sole discretion. If such permission is given, Client shall not publish any extract or excerpt of KPMG's written advice or report or refer to KPMG without providing the entire advice or report at the same time. Notwithstanding the foregoing, Client may disclose in whole any report or written advice given to Client by KPMG hereunder solely to Client's legal and professional advisors for the purposes of Client seeking advice in respect of the transaction or matter to which the engagement relates, provided that when doing so Client informs such advisors that: (i)

TERMS AND CONDITIONS FOR ADVISORY AND TAX SERVICES

disclosure by them (except as permitted herein) is not permitted without KPMG's prior written consent; and (ii) KPMG accepts no responsibility or liability to such advisors in connection with such reports or written advice. Subject to the restrictions of Section 6, KPMG is entitled to use or develop the knowledge, experience and skills of general application gained through performing the engagement.

b. Client shall not refer to KPMG or use KPMG's name or logo in any manner or medium without the prior written permission of KPMG in each instance, which permission may be unreasonably withheld by KPMG.

c. The contents of this Section 5 may be reproduced in any report or written advice of KPMG, in whole or in part, at KPMG's sole discretion. Any failure of KPMG to include any such language shall not derogate from the obligations set out in this Section 5.

6. CONFIDENTIALITY.

a. Except as described in Section 5 above, Client will treat in confidence any information provided by KPMG to Client including but not limited to KPMG methodologies, know-how, knowledge, application or software and will not use or disclose any such confidential information of KPMG to others.

b. Except as expressly set forth herein, KPMG will treat as confidential all proprietary information and personal information obtained from Client in the course of the engagement.

c. The restrictions in subsections 6 (a) and (b) above shall not apply to any information that: (i) is required by law or professional standards applicable to KPMG to be disclosed; (ii) that is in or hereafter enters the public domain; (iii) that is or hereafter becomes known to Client or KPMG, as the case may be, without breach of any confidentiality obligation; or (iv) that is independently developed by KPMG..

d. KPMG shall be entitled to include a description of the services rendered in the course of the engagement in marketing and research materials and disclose such information to third parties, provided that all such information will be rendered anonymous and not subject to association with Client.

e. KPMG shall be entitled to share all information with all other member firms of KPMG International Cooperative ("KPMG International"). KPMG may also use such information to offer services that may be of interest to Client. KPMG may retain and may disclose to other KPMG International member firms, subject to terms of this Section 6, such information required for compliance with applicable professional standards or internal policies or for quality reviews or to share best practices.

f. Professional standards require KPMG personnel performing any audit or assurance services for clients to discuss or have available to them all information and materials that may affect the audit or assurance engagement. Client authorizes, if Client is or becomes an assurance Client, KPMG personnel performing services under the engagement to make available to the KPMG assurance engagement team and other KPMG personnel, the findings, observations and recommendations from the engagement and agrees that KPMG may use all such findings, observations and recommendations in KPMG's assurance engagement.

g. Except as required by applicable law or regulation, Client shall keep confidential the existence and terms of the Proposal or the Engagement Letter (as applicable) and these Terms and Conditions. Such confidential information shall not be distributed, published or made available to any other person without KPMG's express written permission. Further, for

purposes of the services described in the Engagement Letter only, the Client hereby grants to KPMG a limited, revocable, non-exclusive, non-transferable, paid up and royalty-free license, without right of sublicense, to use all logos, trademarks and service marks of Client solely for presentations or reports to the Client or for internal KPMG presentations and intranet sites.

7. PERSONAL INFORMATION CONSENTS AND NOTICES.

Any collection, use or disclosure of personal information is subject to KPMG's Privacy Policy available at www.kpmg.ca. KPMG may be required to collect, use and disclose personal information about individuals during the course of the engagement. Client represents and warrants that: (i) it will obtain from individuals all consents required by law to permit KPMG to collect, use and disclose all personal information reasonably required in the course of the engagement, and (ii) it has provided notice of KPMG's potential processing of information outside of Canada (as described in Section 8 below) to all individuals whose personal information is disclosed to KPMG.

8. USE OF MEMBER FIRMS AND THIRD PARTY SERVICE PROVIDERS.

Personal and/or confidential information collected by KPMG during the course of the engagement may be used, processed and stored outside of Canada by KPMG, KPMG International member firms providing services hereunder, KPMG subsidiaries, affiliates and related parties or third party service providers to provide professional services and administrative, analytical and clerical support and to comply with applicable law, regulations and professional standards. Client also understands and agrees that KPMG aggregates Client's information with information from other sources for the purpose of improving quality and service, and for use in presentations to clients and non-clients, in a form where such information is sufficiently de-identified so as not to be attributable to Client. KPMG represents to Client that each KPMG International member firm, KPMG subsidiary, affiliate and related party and third party service provider providing services hereunder has agreed or shall agree to conditions of confidentiality with respect to Client's information to the same or similar extent as KPMG has agreed pursuant to Section 6. Further, KPMG is responsible to Client for causing such KPMG subsidiaries, affiliates, related parties and third party service providers to comply with such conditions of confidentiality, and KPMG shall be responsible to Client for their failure to comply and failure of each KPMG International member firm providing services hereunder to comply with its obligations of confidentiality owed to KPMG. Any services performed by KPMG subsidiaries, affiliates, related parties and third party service providers shall be performed in accordance with the terms of the Engagement Letter, including Section 6, but KPMG shall remain responsible to Client for the performance of such services and services performed by each KPMG International member firm providing services hereunder. Such personal and/or confidential information may be subject to disclosure in accordance with the laws applicable in the jurisdiction in which the information is processed or stored, which laws may not provide the same level of protection for such information as will Canadian laws. KPMG's Privacy Officer noted in KPMG's Privacy Policy is able to answer any individual's questions about the collection of personal information required for KPMG to deliver services hereunder.

9. TAXES/BILLING/EXPENSES/FEES.

a. All fees and other charges do not include any applicable

TERMS AND CONDITIONS FOR ADVISORY AND TAX SERVICES

federal, provincial, or other goods and services or sales taxes, or any other taxes or duties whether presently in force or imposed in the future. Any such taxes or duties shall be assumed and paid by Client without deduction from the fees and charges hereunder.

b. Bills will be rendered on a regular basis as the engagement progresses. Our professional fees are also subject to a technology and support charge to cover information technology infrastructure costs and administrative support of our client service personnel which are not included in our client service personnel fee. The technology and support fee covers costs such as our client service personnel computer hardware and customized KPMG software, telecommunications equipment, client service professional administrative support, IT programming, professional services and other client support services. Other direct out-of-pocket costs, such as travel, will be charged separately based on our actual costs. For certainty, Client acknowledges that to the extent a subsidiary, affiliate or relegated party of KPMG is engaged by KPMG to assist KPMG in providing the services hereunder, Client may receive bills from such subsidiary affiliate or related party of KPMG for such services. Accounts are due when rendered. Interest on overdue accounts is calculated at the rate noted on the invoice commencing 30 days following the date of the invoice.

c. Without limiting its rights or remedies, KPMG shall have the right to halt or terminate entirely its services until payment is received on past due invoices.

d. In the event that the engagement is terminated and Client proceeds to complete the transaction or financing within 18 months from the termination date, then the full amount of any Completion Fee shall be payable on closing of the transaction or the completion of financing, regardless of whether KPMG provided further service.

10. LIMITATION ON WARRANTIES.

THIS IS A SERVICES ENGAGEMENT. KPMG WARRANTS THAT IT WILL PERFORM SERVICES HEREUNDER IN GOOD FAITH WITH QUALIFIED PERSONNEL IN A COMPETENT AND WORKMANLIKE MANNER IN ACCORDANCE WITH APPLICABLE INDUSTRY STANDARDS. KPMG DISCLAIMS ALL OTHER WARRANTIES, REPRESENTATIONS OR CONDITIONS, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES, REPRESENTATIONS OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

11. LIMITATION ON LIABILITY.

a. Client agrees that KPMG shall not be liable to Client for any actions, damages, claims, fines, penalties, complaints, demands, suits, proceedings, liabilities, costs, expenses, or losses (collectively "Claims") in any way arising out of or relating to the services performed hereunder for an aggregate amount in excess of the fees paid by Client to KPMG under the engagement. On a multi-phase engagement, KPMG's liability shall be based on the amount actually paid to KPMG for the particular phase that gives rise to the liability.

b. In the event of a Claim by any third party against KPMG that arises out of or relates to the services performed hereunder, Client will indemnify and hold harmless KPMG from all such Claims, including, without limitation, reasonable legal fees, except to the extent finally determined to have resulted from the intentional, deliberate or fraudulent misconduct of KPMG.

c. In no event shall KPMG be liable for consequential, special,

indirect, incidental, punitive or exemplary damages, liabilities, costs, expenses, or losses (including, without limitation, lost profits and opportunity costs). In any Claim arising out of the engagement, Client agrees that KPMG's liability will be several and not joint and several. Client may only claim payment from KPMG of KPMG's proportionate share of the total liability based on degree of fault.

d. For purposes of this Section 11, the term KPMG shall include its subsidiaries, its associated and affiliated entities and their respective current and former partners, directors, officers and employees, agents and representatives. The provisions of this Section 11 shall apply regardless of the form of Claim, whether in contract, statute, tort (including, without limitation, negligence) or otherwise.

12. LEGAL PROCEEDINGS.

a. Client agrees to notify KPMG promptly of any request received by Client from any court or applicable regulatory authority with respect to the services hereunder, KPMG's confidential information, KPMG's advice or report or any related document.

b. If KPMG is required by law, pursuant to government regulation, subpoena or other legal process to produce documents or personnel as witnesses arising out of the engagement and KPMG is not a party to such proceedings, Client shall reimburse KPMG at standard billing rates for professional time and expenses, including, without limitation, reasonable legal fees, expenses and taxes incurred in responding to such compelled assistance.

c. If Client requests that KPMG produce documents or personnel as witnesses in any proceedings in any way related to the engagement or services provided by KPMG hereunder and KPMG is not a party to such proceedings, KPMG may agree to produce documents or personnel as witnesses on such terms and conditions as KPMG may, in its sole discretion, determine. Without limiting the generality of the foregoing, Client shall reimburse KPMG at standard billing rates for professional time and expenses, including, without limitation, reasonable legal fees, expenses and taxes, incurred in responding to such Client requests.

d. Client acknowledges that KPMG may from time to time receive requests or orders from professional, securities or other regulatory, judicial or governmental authorities (both in Canada and abroad) to provide them with information and copies of documents in KPMG's files including, without limitation working papers and other work-product relating to Client which information and documents may contain confidential information of Client. Except where prohibited by law, KPMG will advise Client of the request or order. Client hereby acknowledges that KPMG will provide these documents and information without further reference to, or authority from Client.

Client must mark any document over which it asserts privilege as "privileged". When such an authority requests access to KPMG's working papers and other work-product relating to Client's affairs, KPMG will, on a reasonable efforts basis, refuse access to any document over which Client has expressly informed KPMG at the time of delivery that the Client asserts privilege (by the Client marking such document as "privileged" as contemplated in the foregoing sentence). Notwithstanding the foregoing, where disclosure of documents is required by law, KPMG will disclose such documents. If and only if the authority requires such access to such privileged documents pursuant to the laws of a jurisdiction in which express consent of the Client is required for

TERMS AND CONDITIONS FOR ADVISORY AND TAX SERVICES

such disclosure, then Client hereby provides its consent.

Where privileged Client documents are disclosed, by KPMG as contemplated above, KPMG is directed to advise the authority that Client is permitting disclosure only to the extent required by law and for the limited purpose of the authority exercise of statutory authority. KPMG is directed to advise the authority that Client does not intend to waive privilege for any other purpose and that Client expects its documents to be held by the authority as privileged and confidential material. For greater certainty, Client and KPMG hereby agree that this acknowledgement (and, if required, consent) does not negate or constitute a waiver of privilege for any purpose and Client expressly relies upon the privilege protections afforded under statute and otherwise under law.

13. LIMITATION PERIOD.

No proceeding arising under or relating to the engagement, may be brought by either party more than one year after the cause of action has accrued or in any event not more than five years after completion of the engagement in the case of an advisory services engagement and not more than eight years after completion of the engagement in the case of a tax services engagement, except that a proceeding for non-payment may be brought by KPMG at any time following the date of the last payment due to KPMG hereunder. For purposes of this Section 13, the term KPMG shall include subsidiaries and associated and affiliated entities and their respective current and former partners, directors, officers, employees, agents and representatives.

14. TERMINATION.

Unless terminated sooner in accordance with its terms, the engagement shall terminate on the completion of KPMG's services hereunder, which completion shall be evidenced by the delivery by KPMG to Client of the final invoice in respect of the services performed hereunder. Should Client not fulfill its obligations set out herein or in the Engagement Letter and in the absence of rectification by Client within 10 days, KPMG may, upon written notice, terminate its performance and will not be responsible for any loss, cost or expense resulting therefrom. If at any time during the engagement it is determined by KPMG, in its sole discretion, that there may be an actual or potential breach by KPMG of applicable professional standards, KPMG may terminate the engagement without liability, immediately on notice to Client. The engagement may be terminated by either party at any time by giving written notice to the other party not less than 30 calendar days before the effective date of termination. Upon early termination of the engagement, Client shall be responsible for the payment to KPMG for KPMG's time and expenses incurred up to the termination date, as well as reasonable time and expenses to bring the engagement to a close in a prompt and orderly manner.

15. E-MAIL COMMUNICATION.

Client recognizes and accepts the risks associated with communicating by Internet e-mail, including (but without limitation) the lack of security, unreliability of delivery and possible loss of confidentiality and privilege. Unless Client requests in writing that KPMG does not communicate by Internet e-mail, Client assumes all responsibility or liability in respect of the risk associated with its use.

16. POTENTIAL CONFLICTS OF INTEREST.

a. For purposes of this Section 16 "KPMG" means KPMG LLP

and KPMG subsidiaries, affiliates and related parties providing services hereunder, if applicable. KPMG is engaged by a wide variety of entities and individuals, some of whom may be creditors, investors, borrowers, shareholders, competitors, suppliers or customers of Client, or other parties with conflicting legal and business interests to Client including, without limitation, in relation to the audit, tax or advisory services provided to Client by KPMG. KPMG's engagements with such companies and individuals may result in a conflict with Client's interests.

b. As a condition of KPMG's engagement by Client, Client agrees that: (i) without further notice or disclosure, KPMG may accept or continue engagements or unrelated matters to KPMG's engagement for Client in which KPMG may act contrary to Client's interests even if those unrelated matters are materially and directly adverse to Client; and (ii) without further notice or disclosure, KPMG may provide advice or services to any other person or entity making a competing bid or proposal to that of Client whether or not KPMG is providing advice or services to Client in respect of Client's competing bid or proposal.

c. In accordance with professional standards, and except as set out below, KPMG will not use any confidential information regarding Client in connection with its engagements with other clients, and will establish confidentiality and other safeguards to manage conflicts, which may include, in KPMG's sole discretion, the use of separate engagement teams and data access controls. In no event shall KPMG be liable to Client or shall Client be entitled to a return of fees and disbursements incurred on behalf of Client or any other compensation whatsoever as a result of KPMG accepting or continuing a conflicting engagement.

d. Client further agrees that KPMG may, in its sole discretion, disclose the fact or general nature of its engagement for Client to (i) KPMG International and other KPMG International member firms in order to check against potential conflicts of interest, and (ii) to the extent reasonably required in order to obtain the consent of another entity or individual in order to permit KPMG to act for such entity or individual, or for Client, in connection with the engagement or any future engagement.

e. Where another party has engaged KPMG to deliver services before Client has done so, and subsequently circumstances change such that there is a conflict, which in KPMG's sole opinion cannot be adequately managed through the use of confidentiality and other safeguards, KPMG shall be entitled to terminate the engagement for Client, without liability, immediately upon notice.

f. Other KPMG International member firms are engaged by many entities and individuals, including, without limitation, entities and individuals that may enter into transactions or may have disputes with Client or Client's related or affiliated entities. Client agrees that (i) it will not assert that other KPMG International member firms are precluded from being engaged by those other entities or individuals, and (ii) those engagements of other KPMG International member firms do not conflict with KPMG's engagement for Client.

g. Client will indemnify and hold harmless KPMG, its subsidiaries and associated and affiliated entities, and their respective current and former partners, directors, officers, employees, agents and representatives from any Claim by any third party (including, without limitation, reasonable legal fees) that alleges that KPMG was in a conflict of interest by providing services hereunder. The provisions of this subsection 16(g) shall apply regardless of the form of Claim, whether in contract, statute, tort (including, without limitation, negligence) or

TERMS AND CONDITIONS FOR ADVISORY AND TAX SERVICES

otherwise.

h. KPMG encourages Client to obtain legal advice with respect to Client's rights in connection with potential future conflicts prior to entering into the engagement.

17. FORCE MAJEURE.

Neither Client nor KPMG shall be liable for any delays resulting from circumstances or causes beyond its reasonable control, including, without limitation, fire or other casualty, act of God, strike or labour dispute, war or other violence, or any law, order or requirement of any governmental agency or authority.

18. INDEPENDENT CONTRACTOR.

It is understood and agreed that each of the parties hereto is an independent contractor and that neither party is, nor shall be considered to be, an agent, distributor or representative of the other. Neither party shall act or represent itself, directly or by implication, as an agent of the other or in any manner assume or create any obligation on behalf of, or in the name of, the other.

19. SURVIVAL.

Sections 1, 4(b), 5-16 and 18-30, 31(a) and (c)-(g) and 33-34 hereof shall survive the expiration or termination of the engagement.

20. SUCCESSORS AND ASSIGNS.

These Terms and Conditions and the accompanying Proposal or Engagement Letter shall be binding upon the parties hereto and their respective subsidiaries and associated and affiliated entities and their respective partners, directors, officers and employees and successors and permitted assigns. Except as provided below, neither party may assign, transfer or delegate any of the rights or obligations hereunder without the prior written consent of the other party. KPMG may assign its rights and obligations hereunder to any affiliate or successor in interest to all or substantially all of the assets or business of the relevant KPMG practice, without the consent of Client. In addition, KPMG may arrange for or engage (as applicable) KPMG affiliates, subsidiaries, related parties, independent contractors and KPMG International member firms to assist KPMG in performing the services hereunder.

21. SEVERABILITY.

The provisions of these Terms and Conditions and the accompanying Proposal or Engagement Letter shall only apply to the extent that they are not prohibited by a mandatory provision of applicable law regulation or professional standards. If any of these provisions shall be held to be invalid, void or unenforceable, then the remainder of these Terms and Conditions and the attached Proposal or Engagement Letter, as the case may be, shall not be affected, impaired or invalidated, and each such provision shall be valid and enforceable to the fullest extent permitted by law.

22. ENTIRE AGREEMENT.

These Terms and Conditions and the accompanying Proposal or Engagement Letter including, without limitation, Exhibits, constitute the entire agreement between KPMG and Client with respect to the engagement and supersede all other oral and written representation, understandings or agreements relating to the engagement.

23. GOVERNING LAW.

These Terms and Conditions and the accompanying Proposal or Engagement Letter shall be subject to and governed by the laws

of the province in which KPMG's principal Canadian office performing the engagement is located (without regard to such province's rules on conflicts of law).

24. PUBLICITY.

Upon the closing of a transaction, KPMG will have the right (but shall not be obliged), at its expense, to publicize its association with the transaction by way of public announcement in "tombstone" or similar format, subject to prior review of the wording for any such announcement with Client.

25. KPMG INTERNATIONAL MEMBER FIRMS.

In the case of multi-firm engagements, all KPMG International member firms performing services hereunder shall be entitled to the benefits of these Terms and Conditions. Client agrees that any Claims that may arise out of the engagement will be brought solely against KPMG, the contracting party, and not against any other KPMG International member firms or such third party service providers referred to in Section 8 above.

26. SARBANES-OXLEY ACT.

Except as set forth in the Engagement Letter, Client acknowledges that completion of the engagement or acceptance of KPMG's reports, advice, recommendations and other deliverables resulting from the engagement will not constitute a basis for Client's assessment of internal control over financial reporting or Client's evaluation of disclosure controls and procedures, or its compliance with its principal officer certification requirements under Section 302 of the Sarbanes-Oxley Act of 2002 (the "Act"). The engagement shall not be construed to support Client's responsibilities under Section 404 of the Act requiring each annual report filed under Section 13(a) or 15(d) of the Securities Exchange Act of 1934 to contain an internal control report from management.

27. NATIONAL INSTRUMENT 52-109.

Except as set forth in the Engagement Letter, Client acknowledges that completion of the engagement or acceptance of KPMG's reports, advice, recommendations and other deliverables resulting from the engagement will not constitute a basis for Client's evaluation of disclosure controls and procedures and internal control over financial reporting, or its compliance with its CEO/CFO certification requirements under National Instrument 52-109, Certification of Disclosure in Issuers' Annual and Interim Filings, including those related to the design disclosure controls and procedures and internal control over financial reporting.

28. SPECIFIC ACCOUNTING AND OTHER ADVICE.

Except as set forth in the Engagement Letter, the engagement does not contemplate the provision of specific accounting advice or opinions or the issuance of a written report on the application of accounting standards to specific transactions and facts and circumstances of Client. Such services, if requested, would be provided pursuant to a separate engagement.

Client should consult with and/or engage legal counsel for the purpose of advising on legal aspects of matters on which KPMG provides its advice and drafting any legal documents and/or agreements that may be required. To the extent legal counsel or other professional service providers are required, Client is exclusively responsible for engaging and paying such service providers.

29. TAX SERVICES.

TERMS AND CONDITIONS FOR ADVISORY AND TAX SERVICES

a. If tax work is specifically requested by Client, KPMG will perform the procedures in accordance with this Section 29. KPMG will base its findings exclusively on the facts and assumptions provided to KPMG by Client and Client's personnel and advisors. KPMG will consider the applicable provisions of the relevant taxing statutes, the regulations thereunder, applicable tax treaties and judicial and administrative interpretations thereof. In the case of Canadian tax services only, KPMG will also take into account all specific proposals to amend such statutes, regulations and treaties publicly announced prior to the date of KPMG's reports, based on the assumption that these amendments will be enacted substantially as proposed. For certainty, in the case of US tax services, KPMG shall not take into account any specific proposals to amend such statutes, regulations and treaties. The authorities referred to in this subsection 29(a) are subject to change, retroactively and/or prospectively, and any such changes could affect the validity of KPMG's findings and may result in incremental taxes, interest or penalties. KPMG's findings will not otherwise take into account or anticipate any changes in law or practice, by way of judicial, governmental or legislative action or interpretation. Unless Client specifically requests otherwise, KPMG will not update tax work to take any such changes into account.

b. KPMG will use professional judgment in providing advice, and will, unless Client instructs otherwise, take the position most favourable to Client whenever reasonable. All returns are subject to examination by tax authorities, and KPMG's advice may be audited and challenged by a tax authority. Client understands that KPMG's conclusions are not binding on tax authorities or the courts and should not be construed as a representation, warranty or guarantee that the tax authorities or courts will agree with KPMG's conclusion.

c. Client is also responsible for ensuring that KPMG's advice is implemented strictly in accordance with KPMG's recommendations. KPMG is not responsible for any penalties or interest assessed against Client as a result of a failure by Client to provide KPMG with accurate and complete information.

d. Unless expressly provided for, KPMG's services do not include representing Client in the event of a challenge by the Canada Revenue Agency or other tax or revenue authorities

30. TAX SERVICES FOR SEC REGISTERED AUDIT CLIENTS AND/OR US TAX SERVICE.

a. In circumstances where the services provided by KPMG hereunder: (i) involve the delivery of any tax services, Client is or is an affiliate of (whether at the time of the engagement or at any point thereafter) an entity that is registered with the United States securities and Exchange Commission ("SEC"), and Client or such affiliate is audited by KPMG; or (ii) involve the delivery of US tax services, then the prohibition regarding the distribution of KPMG's reports and written advice set out in Section 5 of these Terms and Conditions shall not apply and no provision of the Engagement Letter is or is intended to be construed as a condition of confidentiality in relation to the tax services to which (i) and/or (ii) above are applicable. Further, in respect of the services to which (i) and/or (ii) above are applicable, no provision in the Engagement Letter or these Terms and Conditions is or is intended to be construed as a condition of confidentiality within the meaning of Internal Revenue Code ("IRC") sections 6011, 6111, 6112 or the regulations thereunder, or under any similar or analogous provisions of the laws of a state or other jurisdiction. In particular, Client (and each employee, representative, or other agent of Client) may disclose to any and all persons, without

limitation of any kind, the tax treatment and tax structure of any transaction within the scope of the engagement and all materials of any kind (including opinions and other tax analyses) that are provided to Client relating to such tax treatment and tax structure. Client also agrees to use commercially reasonable efforts to inform KPMG of any conditions of confidentiality imposed by third party advisors with respect to any transaction on which KPMG's advice is requested. Such notification must occur prior to KPMG providing any advice with respect to the transaction.

b. For certainty, Section 5 of these Terms and Conditions shall continue to apply in its entirety, and this Section 30 shall not apply, to any tax services to which subsection 30(a)(i) and/or (ii) above are not applicable. In this Section 30, the term "affiliate" is interpreted as that term is used by the SEC with reference to auditor independence rules.

c. In respect of any tax services to which subsection 30(a)(i) or (ii) above are applicable, any reports or advice ("Tax Deliverable") released to Client in any form or medium shall be supplied by KPMG on the basis that it is for Client's benefit and use only. If Client refers to or discloses in whole or in part any Tax Deliverable to any third party, Client shall notify such third party in writing as follows: that (i) the tax services performed by KPMG for Client were designed to meet Client's agreed requirements only, as determined by Client's needs at the time; (ii) any product of the tax services should not be regarded as suitable to be used or relied upon by any party wishing to acquire any rights against KPMG other than Client; (iii) KPMG does not assume any responsibility in respect of the tax services performed for Client, any product of the tax services, or any judgments, conclusions, opinions, findings or recommendations that KPMG may have formed or made, to any party except Client; (iv) to the fullest extent permitted by law, KPMG accepts no liability in respect of any such matters to any other person; and (v) should any person or entity except Client choose to rely on the tax services or any product thereof, that person or entity will do so at their own risk. Notwithstanding the foregoing, (A) in the event of a disclosure made by Client that is required by law, that is made to a regulatory authority having jurisdiction over Client, or that is made pursuant to subsection 30(a) above, no such notification shall be required and (B) no such notification shall be required with respect to disclosures expressly authorized by the Engagement Letter.

d. If Client refers or discloses in whole or in part any Tax Deliverable to any third party but does not notify such third party in writing as required in subsection 30(c) above, Client shall compensate KPMG and reimburse KPMG for and protect, indemnify and hold harmless KPMG against any Claim incurred by KPMG (including, without limitation, reasonable legal fees) as a result of, arising from or in connection with any such reference or disclosure, unless KPMG has agreed in writing with such third party to accept responsibility and liability to that third party in respect of the tax services and the Tax Deliverable. If any payment is made by Client under this subsection 30(d), Client shall not seek recovery of that payment from KPMG at any time. In this subsection 30(d), "KPMG" shall include KPMG and its subsidiaries, its associated and affiliated entities and their respective current and former partners, directors, officers, employees, agents and representatives, and "Client" shall include Client, Client's affiliates and any other beneficiaries of KPMG's tax services. The foregoing indemnification obligations shall apply regardless of the form of Claim, whether in contract, statute, tort (including, without limitation, negligence) or

TERMS AND CONDITIONS FOR ADVISORY AND TAX SERVICES

otherwise.

e. Treasury regulations under IRC section 6011 require taxpayers to disclose to the IRS their participation in reportable transactions and IRC section 6707A imposes strict penalties for noncompliance. Client agrees to use commercially reasonable efforts to inform KPMG if Client is required to disclose any transaction covered by the Engagement Letter as a reportable transaction to the IRS or to any state or other jurisdiction adopting similar or analogous provisions. IRC section 6111 requires a material advisor with respect to a reportable transaction to disclose information on the transaction to the IRS by a prescribed date, and IRC section 6112 requires the material advisor to maintain, and make available to the IRS upon request, a list of persons and other information with respect to the transaction. KPMG will use commercially reasonable efforts to inform Client if KPMG provides Client's identifying information to the IRS under IRC section 6111 or 6112, or to any state or other jurisdiction adopting similar or analogous provisions.

f. For engagements where services will be provided by a KPMG International member firm with offices located in California, Client acknowledges that certain of KPMG's personnel who may be considered "owners" under the California Accountancy Act and implementing regulations (California Business and Professions Code section 5079(a); 16 Cal. Code Regs. sections 51 and 51.1) and who may provide services in connection with the engagement, may not be licensed as certified public accountants under the laws of any of the various states.

31. DUE DILIGENCE SERVICES (TAX AND TRANSACTION SERVICES)

a. The procedures KPMG will perform are limited to those referred to in the Engagement Letter and its appendices. The procedures KPMG will perform are limited in nature and extent to those determined by Client to meet its needs and, as such, will not necessarily disclose all significant matters about Target or reveal errors in the underlying information, instances of fraud, or illegal acts, if any. KPMG provides no assurance and makes no representation regarding the sufficiency of the procedures either for the purpose of the proposed transaction in the context of which KPMG has been engaged or for any other purpose. KPMG's findings will not constitute recommendations to Client as to whether or not Client should proceed with any proposed transactions. In performing the procedures and reporting its findings, KPMG will rely exclusively upon information provided to KPMG by Target, its personnel and advisors, Client's advisors, and Client, and any publicly available information KPMG obtains, and will not independently verify the accuracy or completeness of such information. KPMG's procedures with respect to Target's financial information will be substantially less in scope than any audit or other attestation standards, including without limitation those established by the Auditing and Assurance Standards Board and the Chartered Professional Accountants of Canada. Consequently, KPMG expresses no opinion and will provide no other form of assurance on Target's prospective financial information, financial statements or Target's internal control over financial reporting.

b. Client agrees to review reports promptly and to advise KPMG on a timely basis of any additional procedures Client would like KPMG to perform or areas to address.

c. In the event KPMG performs procedures related to future-oriented financial information, KPMG will not compile, examine, or apply other assurance procedures to such information and,

accordingly, will express no opinion or any other form of assurance or representations concerning its accuracy, completeness or presentation format. Future-oriented financial information is based on assumptions regarding future events, actual results will vary from the information presented and the variations may be material.

d. Unless specifically requested by Client, KPMG is not obligated to provide a copy of the report to Target for the purpose of confirming Target's representations concerning the accuracy of the factual information presented in the report. If Client would like Target to review the report, KPMG will require Client and Target to indemnify KPMG for any Claims arising out of or relating to such review on such terms and conditions specified by KPMG in its sole discretion. In certain instances, Client may request that KPMG's report be distributed to a third party for informational purposes. KPMG will consider consenting to distribution based on such factors as the identity of the third party and the third party's intended use of the report. If KPMG agrees to the distribution of the report to a third party, Client agrees to execute and agrees to require the third party to execute an agreement in the form provided by KPMG regarding the release of information.

e. Client expressly acknowledges and agrees that if Client and Target (as such terms are defined in the Engagement Letter) are the same entity, that all references herein to "Target" shall be deemed to be references to "Client".

f. The provisions of subsections 3(c)-(d) and Section 6 shall apply to information about Target provided to KPMG in the course of performing the services under the Engagement Letter. Client agrees to use all reasonable efforts to arrange for KPMG's access to Target's personnel and advisors, business offices and financial information as required for KPMG to perform the services contemplated by the Engagement Letter.

g. If KPMG serves as independent auditors of Target or another party disclosed to Client, or provides any other audit or attestation services to Target or such other party (such as the target of a contract compliance review or a party having a connection to an investigation or proceeding), Client hereby acknowledges and agrees that KPMG may be in possession of confidential information concerning Target or such other party that may be relevant to Client's due diligence procedures or other services KPMG is providing to Client under the Engagement Letter and that such information will not be disclosed to Client unless Target or such other party provides prior written consent to such disclosure or provides such information directly to Client or to the KPMG engagement team serving Client for purposes of the services under the Engagement Letter.

32. LOBBYING

Unless expressly stated in the Engagement Letter, KPMG will not undertake any lobbying activity, as that term is defined in all applicable federal, provincial and municipal lobbyist registration statutes and regulations, in connection with the engagement. In the event that KPMG and Client agree that KPMG will undertake lobbying activity in connection with the engagement, such agreement shall be set out in an amendment to the Engagement Letter.

33. LLP.

KPMG LLP is a registered limited liability partnership ("LLP") established under the laws of the Province of Ontario and, where applicable, has been registered extra-provincially under

provincial LLP legislation. KPMG is a partnership, but its partners have a degree of limited liability. A partner is not personally liable for any debts, obligations or liabilities of the LLP that arise from a negligent act or omission by another partner or any person under that other partner's direct supervision or control. The legislation relating to limited liability partnerships does not, however, reduce or limit the liability of the firm. The firm's insurance exceeds the mandatory professional indemnity insurance requirements established by the relevant professional bodies. Subject to the other provisions hereof, all partners of the LLP remain personally liable for their own actions and/or actions of those they directly supervise or control.

34. ALTERNATIVE DISPUTE RESOLUTION.

The parties shall, and shall cause both their and their respective subsidiaries', affiliates' and associated entities' current and former officers, partners, directors, employees, agents and representatives, to first attempt to settle any dispute arising out of or relating to the Engagement Letter or the services provided hereunder (the "Dispute") through good faith negotiations in the spirit of mutual cooperation between representatives of each of the parties with authority to resolve the Dispute. In the event that the parties are unable to settle or resolve a Dispute through negotiation within 30 days of when one of the parties has notified the other party of the Dispute by delivering a notice of dispute, or such longer period as the parties may mutually agree upon, such Dispute shall, as promptly as is reasonably practicable, be subject to mediation pursuant to the National Mediation Rules of the ADR Institute of Canada, Inc. that are in force at the time the notice of dispute is delivered. Any Dispute remaining unresolved for more than 60 days following the parties first meeting with a mediator or such longer period as the parties may mutually agree upon shall, as promptly as is reasonably practicable, be resolved by arbitration pursuant to the Arbitration Rules of the ADR Institute of Canada, Inc. (the "Arbitration Rules") that are in force at the time the Dispute is subject to arbitration. For certainty, the parties hereby waive any right they may otherwise have to bring a court action in connection with a Dispute. The parties also waive any right they may otherwise have to bring or participate in a class, collective or representative proceeding in connection with a Dispute, whether in court or before an arbitrator. The arbitrator's decision shall be final, conclusive and binding upon the parties, and the parties shall have no right to appeal or seek judicial review of the arbitrator's decision. For certainty, the parties hereby waive any right of appeal which may otherwise be available under applicable legislation or under the Arbitration Rules. The place of mediation and arbitration shall be the city in Canada in which the principal KPMG office that performed the engagement is located. The language of the mediation and arbitration shall be English.
