

Hamilton Harbour Rainwater Conservation Fund Project Funding Application

How to Apply

For financial and technical assistance through Conservation Halton's Hamilton Harbour Rainwater Conservation Fund please complete and submit this form to Conservation Halton by mail to Restoration: WQHIP, 2596 Britannia Road West, Burlington, Ontario L7P 0G3; or email stewardship@hrca.on.ca.

The information collected in this application is for the use of Conservation Halton's Hamilton Harbour Rainwater Conservation Fund Program in determining the eligibility of this project for funding assistance. Funding is only available for select neighborhoods in Burlington, Millgrove, Flamborough, and Waterdown. Availability of funds to assist property owners with environmental improvement projects varies annually.

Applications will be received and reviewed at the end of each month. In the case of funding limitations, applications received within the same month will be ranked and funded based on ecological merit.

Should this application be approved for funding, a project agreement will be established between Conservation Halton and the Property Owner. A sample of the agreement can be viewed online.
